Dear Maj- Easterbrook

I enclose the draft for a book called "Monsieur Joseph". You will see that it was written by a Mr Joseph Enoch and is an account of his adventures as a POW and escaper. He wishes you to have this copy as he was a member of O Battery when captured. It is most interesting.

I would be grateful if you would write to Mr Enoch direct to acknowledge receipt of the manuscript.

*Yours sincerely
Denis Rollo*

- Profuse apologies for not dealing with this earlier. I'm afraid I lent it to too many people.
