Mr. J. Enock,
5 Common Mead Avenue,
Gillingham,
Dorset.

8 June 1978

Dear Mr. Enock,

Thank you so much for your letter, and the synopsis of your book about your experiences during the war.

While I think that there is some very good stuff in your book (it seems packed with action, adventure and excitement), it is not really the right material for Woman's Own. I should still try to sell it to publishers and I wish you the very best of luck with your search.

Yours sincerely,

Barbara Rowlands
